CONFIDENTIAL

MEMORANDUM FOR: H. R. HALDEMAN

FROM: JEB S. MAGRUDER

RE: Addition to my Memorandum of 12/13 Regarding Individual to Head PR Firm

This morning Nofziger, Colson and I interviewed Mr. Howard Hunt who is currently employed by the Central Intelligence Agency in regards to the PR position. I am enclosing a copy of his resume.

It is our opinion that this gentleman also should receive priority consideration regarding this position. He has had consistent experience in the field of public relations and news dissemination. He is quite oriented to the type of operation we are talking about. He has been with CIA for 25 years and is moving because of financial concerns. He is a solid Nixon Republican, lives here in Washington, and could be available immediately. He is somewhat older than our perfect candidate but seems quite management oriented and has had good experience in these areas. He could be seen here in Washington at your convenience.
